

## What can Cubik do for you?

What can we do for you? We offer Cubik both as a fully managed service (delivering our CMS, graphical design, training, ongoing hosting and support) or as a licensed software product that you can run on your own hosting infrastructure. Find out which is best for you.

### [The process](#)

Regardless of the path you take to deploy your new Cubik website, we'll provide the supporting services that you need to achieve your project objectives.

### [Buy Cubik as a service](#)

The fully managed Cubik website solution means that we look after everything techie, leaving you to concentrate on the message you want your website to convey.

### [Buy Cubik as a product](#)

Get all the benefits of the Cubik product in your own environment, giving you complete control over your website from the technical level upwards.

### [Microsoft accreditation](#)

Cubik is a Microsoft Gold Certified Partner with a knowledge of Windows SharePoint Services.
